Dear Jerry,

Please accept my congratulations for earning a Hometown Hero Award from the Modern Woodmen of America. This recognition is a reflection of your hard work and critical contributions to your community, and especially to those who have served our Great Nation and our next generation of leaders.

I hope you truly realize how grateful your fellow citizens are for your continued devotion to the region, your friends and neighbors, and their well-being. Whether as an advisor and mentor, employee, or volunteer, your commitment to serving the veterans, individuals, and families of Lewiston-Auburn and our entire State of Maine is remarkable. You are an individual who has invested a great deal of time, energy, and resources into making this community an even better place to live, work, and play. For that, I and others fortunate enough to call Maine home are incredibly grateful. I applaud and thank you for your continued dedication and tireless efforts to promote prosperity, generosity, and patriotism in this community and I am proud to serve in the United States Congress on behalf of caring citizens like you.

Again, congratulations on receiving the Modern Woodmen of America's Hometown Hero Award, truly a well-deserved honor. As always, please let me know how I can be of further assistance to you and those you serve.

Sincerely,
